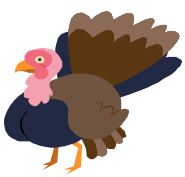
HAPPY HOLIDAYS!



From Your President

Hello Baycliff Friends and Neighbors,

The Presidential Election is soon upon us. It is time to exercise your constitutional right, so get out and vote. Our Baycliff Civic League Board is now complete. Richard Dunning has agreed to assume the First Vice President position. Richard is also our new chair for the dredging initiative. He has started a Facebook page at http://www.facebook.com/Baycliff.Dredging, helped get a new boat ramp sign and is off to a great start with this large project.

The Dolphin Cruise was a huge success. It was well attended by many adults and children. The weather cooperated, and we saw many dolphins. A good time was had by all. Thank you to Chairman Pam Fox and Christine Westendorf for organizing a great event. Thank you to Co-Chairs Marian Buis and Kelly Seith for organizing the Chili Cook-Off and Fall Festival. Also many thanks to those that volunteered for the boat ramp area clean up.

Mark your calendar and join your neighbors at our holiday events! The Santa Visit and luminaries are scheduled for Saturday, December 8th. The Adult Holiday Party will be hosted by new Baycliff residents, Maureen and Andy Kallgren, also on that evening.

Our next civic League meeting is scheduled for Wednesday, November 14th at 7 p.m. in the Alanton Elementary School Cafeteria. This will be a business meeting and a program with a library tech speaker. We will discuss the status for the proposed dredging plan for Mill Dam Creek. We will also review status of committees and upcoming events. All are welcomed and encouraged to attend. Together we will keep Baycliff a wonderful place to live.

Best Regards,

Frank Cunningham

EXCITING NEW LIBRARY RESOURCES ACCESSIBLE FOR FREE AT HOME!

See and Learn How to Access These Super Resources at the November 14th Civic League Meeting!

Lisa Lindsey, an Information Specialist for the City of Virginia Beach libraries for the past seven years, will be our speaker at the **Wednesday, November 14th civic league meeting**. In addition to providing reference services, Lisa teaches adult computer classes on a variety of subjects, provides workshops on how to use the library's audio and e-book downloadable resources, and conducts children's storytimes. She also is a member of several teams that guide the library as it adopts and manages new technology.

Lisa will focus her program on the library's electronic resources, which we can access **FREE** from home with our library cards. She'll use Alanton's wireless access and projection system to actually show us what's available and demonstrate how to easily use it.

First, we'll discover databases on a myriad of topics - auto repair, genealogy, foreign language learning, test taking, newspaper resources, and so on. These can all be accessed from the comfort of home on our computers and mobile devices.

Next Lisa will explain downloadable content and introduce us to the library's "Overdrive" site. Need a good book for your computer, iPod or MP3 player? She'll show us how to browse or search, and quickly check out and download both fiction and non-fiction titles from "Overdrive." Audiobooks and e-books are available too to use on our computers, e-readers or other mobile devices. But there's even more good stuff! The library also offers the "Freegal Music Site," where you can download free music – songs you actually keep! Lisa says the downloadable discussion always elicits great interest so get your questions answered and pick up some helpful tips how to access these great resources! This is a program of interest and value to ALL AGES!!

20TH ANNUAL BAYCLIFF SANTA CLAUS VISIT

SATURDAY, DECEMBER 8TH, 2:00 P.M.

Raindate: Sunday, December 9th, 2:00 p.m.

ALL AGES ARE WELCOME!

SANTA, CRAFTS, AND A HAYRIDE FOR THE CHILDREN!

HOT CHOCOLATE, COOKIES, AND FUN FOR ALL!!

Santa will make his "grand entrance" shortly after 2:00 p.m. and visit with the children. Please arrive early! Every child will receive a treat (courtesy of the Baycliff Civic League) and a small gift from Santa provided by his/her parents. CHILDREN'S GIFTS SHOULD COST $10.00 OR LESS.

Participating families should **drop off their youngsters' gifts at Chuck and Marian Buis's home, 1317 Baycliff Drive, Friday, December 9th through Friday, December 16th.** The Buis family will have a special "Santa Drop Box" in front of their garage, which will be checked regularly. Please do not ring the Buis's doorbell! All gifts should be wrapped and prominently labeled with each child's name and address. It is VERY IMPORTANT that ALL GIFTS be dropped off at Chuck and Marian Buis's house before the visit from Santa so they can be in Santa's sack ahead of the event. NO GIFTS WILL BE ACCEPTED AT THE BOAT RAMP AS THIS WILL CONFUSE MANY CHILDREN.

WE NEED VOLUNTEERS! We welcome COOKIE BAKERS, TEEN ELVES TO ASSIST SANTA, MUSIC MAKERS (guitars, keyboards, trumpets, etc.), and several people to serve refreshments. This is a fun opportunity for teens to earn needed documented community service!

PLEASE CALL JANIE CECELIC AT 481-5465 TODAY.

OUR 11TH ANNUAL BAYCLIFF LUMINARIA LIGHTING SATURDAY, DECEMBER 8TH, 6:00 PM

RAIN DATE DECEMBER 9TH, 6:00 PM

Join us in a city-wide and neighborhood tradition that will have us all beaming with pride!

December 2011 was Baycliff's tenth annual Luminary Lighting. Thanks to all who have taken part in the past. We know that it does require time and effort to do this, but the effect is so lovely and everyone's efforts are so appreciated. Let's have every street lined with glowing candlelight this year! This is such a wonderful opportunity to celebrate our community and demonstrate the power of people working together. Please encourage all of your neighbors to participate and lend a hand to neighbors who will be away by offering to light their luminaries for them.

In late November, you will receive a gift of two dozen white luminary bags from the Baycliff Civic League. Corner lots will receive double sets of bags. Should you wish to buy additional bags for a small fee ($2.00 PER DOZEN), please contact Debbie Stephens at 481-3133 ASAP so she can order these bags for your family.

These white paper sacks, weighted with sand/gravel and glowing with votive candles, will beautifully illuminate Baycliff streets on Saturday evening, December 8th. We ask that each household line their front property lines, extending their bags down the street at 8 foot intervals at the curb cuts and placing them up on top of the curb. Please light your luminaries at dusk, so that Baycliff streets are fully lit by 6:00 p.m. Then walk around Baycliff that evening and enjoy the beauty! It's the same evening as the Baycliff Holiday Open House so please stop by Maureen and Andy Kallgren's home, 2008 Seafarer Cove, to enjoy some holiday cheer with your Baycliff neighbors!

Should you be out of town or otherwise unable to participate, please give your bags to a neighbor and ask them to set out your luminaries for you so there will be no missing gaps. Let's have all of our Baycliff streets fully aglow!

Chairman Debbie Stephens is looking for volunteers to ensure the success of this event. They will help her distribute bags in November, assemble and put out luminary bags at the entry circle, assist neighbors who are out of town, and also relight candles that have blown out. Please call **Debbie Stephens**, Holiday Luminaries Chairman, at **481-3133** to offer your assistance.

If there is rain or high winds on Saturday, December 8th, our Luminary Lighting rain date is the following day, Sunday, December 9th. Please watch for a Baycliffwatch message and a banner on the front bulletin board announcing rescheduling to the rain date.

BAYCLIFF SADDENED BY DEATH OF LOUIS COLBUS

Captain Louis Colbus, USN (RET) departed on his final deployment September 28, 2012 at Sentara Leigh Hospital, Norfolk Virginia. Louis was a former and long-time resident of the Baycliff community and once served as civic league president.

Captain Colbus was born in Altoona, Pennsylvania on June 16, 1931. Upon graduation from Altoona High School in 1949, he enlisted in the Naval Reserve. In 1950, he entered the Naval Reserve Officer Training Corp (NROTC). All the billets at Pennsylvania State College were filled; he transferred to University of South Carolina and graduated in 1953. Captain Colbus returned to Penn State where he matriculated in graduate studies in Economics. He furthered his education by earning a Master of Science Degree at George Washington University in 1965.

Louis is preceded by his former wife Mary Jo Rierson. In 2002, Louis married Marie Daniels at Ohef Sholom Temple, member since 1975. Marie has a daughter, Angie, who is married to Carl Hooks; they have a son, Andrew David, and a daughter, Reilly Marie. The Hooks live in Purcellville, Virginia.

Captain Colbus' survivors are his loving and beautiful wife, Marie; his son, Jonathan, his wife, Schrevia, and a son, Jacob; daughter Joanna Washburn; two children, Jenna and Jarrett; and brother Harry Saul Colbus of Baltimore, Maryland. Louis has a close and large family of cousins with whom he maintained contact and visited often. His friends are numerous and he considered shipmates as special family. When asked what his hobbies were, he answered, "Family, shipmates, friends, and places!"

From 1949 until 1993, Captain Colbus proudly and lovingly wore his uniform, from seaman recruit to Convoy Commodore, when he was routinely recalled to active duty from retirement to train with the merchant marine in the convoy of merchant ships in wartime. Captain Colbus served on destroyers, commanding USS McCLOY, USS JONAS INGRAM, and DESTROYER SQUADRON TWO. He spent five years of his career on aviation staffs embarked in Atlantic Fleet carriers. He loved the aviation community and often stated he would be reincarnated as a fighter pilot since he liked to live like one.

In lieu of flowers or charitable contributions, friends, family, and shipmates are encouraged to treat a friend to dinner. Online condolences may be made to the family at hdoliver.com

BAYCLIFF READING CLUB UPDATE

Mary Daddio, Leader

The Baycliff Reading Club meets on the second Tuesday night of each month at 7:00 p.m. Most meetings are held in the Westendorf home, 2028 Sunset Point. We enjoy very lively discussions, and new members are always welcome. We look forward again to our annual outing to the Cape Charles Holiday Sampler Tour on December 7th. Recently, we enjoyed viewing the PBS special on Half the Sky, a book we read last year about the plight of so many women world wide, and as a group, we contribute to KIVA loans, a micro-loan program that makes small businesses and economic success a possibility for struggling women in many parts of the world.

Our upcoming reading picks are:

November 13: Language of Flowers: A Novel by Vanessa Diffenbaugh
December 11: Lots of Candles, Plenty of Cake by Ann Quindlen (Our Holiday Dinner)

Our 2013 selections include:

January 8, 2013: God's Hotel; A Doctor, a Hospital, and a Pilgrimage to the Heart of Medicine by Victoria Sweet
February 12, 2013: The Best of Me by Nicholas Sparks
March 12, 2013: Nervous Conditions by Tsitsi Dangarembga

SUCCESSFUL BOAT RAMP AND COMMUNITY AREA CLEAN UP

The weather was perfect for the Boat Ramp and Community Area clean up on Saturday morning, October 6th. **A BIG THANK YOU** to **Jim and Janie Cecelic**, **Richard Dunning**, **John Hogan**, **Janice Ray**, **Tom Soroka**, **Susannah Uroskie** and **Bill Westendorf**, who came and helped remove over five truck loads of branches and over growth from our community area and around our boat ramp. In less than two hours, they cut down dangerous branches, removed the growth from the bulk head, pulled up weeds, and sprayed the asphalt to stop the grass from growing through and around the pavement. Thank you also to **Christine and Bill Westendorf** for providing water, coffee, and donuts.

Now our community area is ready for upcoming events like the Chili Cook-Off and Fall Festival, Santa Visit and Easter Egg Hunt! Thanks again to all!

LET'S MAKE BAYCLIFF'S ENTRY BEAUTIFUL FOR THE HOLIDAYS!

Baycliff has beautiful, classic Colonial Williamsburg wreaths and garlands that we use to decorate our entry for the holidays. Volunteers are needed to install these wreaths, trim the stone walls with garland and bows, and help wrap trees with sparkling mini-lights. A team of volunteers will decorate on a weekend late in November, allowing us to all enjoy the beautiful decorations the entire month of December. This is an enjoyable way to support Baycliff and demonstrate your holiday spirit! Please contact Janice Ray at **481-7799** (janrinvb@yahoo.com) or Christine Westendorf at **481-5589** (christinew@cox.net) as soon as possible. Thank you so very much and **HAPPY HOLIDAYS!**

PLEASE FOLLOW CITY GARBAGE AND YARD DEBRIS LAWS

- Place containers and/or items for pickup no earlier than 5 p.m. the day before collection and at the street by 7 a.m. the day of collection.
- Place containers at the street with the handle toward your house and allow 3 feet of clearance between your container and any other item including the blue recycle container.
- Remove containers from public view at the end of the collection day.
- Clearly label your container with your address and record your container serial number.
- No other garbage will be collected outside of the black waste container except yard waste.

For bulky items too large to put in the automated container, call the Waste Management Division at **385-4650** at least 24 hours in advance of your collection day to place a service request. Most household discards will be collected. Remodeling or building material, carpet, doors, cabinets, sinks, rocks, dirt, concrete, vehicle parts, glass, and hazardous materials will not be collected. Appliances containing Freon require special handling, so please advise Waste Management when requesting pick up.

Curbside collection of yard waste is provided on your normal collection day and does not require a work order. Limbs up to 4 feet long and 6 inches in diameter will be collected in a pile not to exceed 4 x 4 x 4 feet. One pile, generated from each house, will be collected on each collection day. You may also dispose of smaller yard debris, such as grass and leaves (no dirt) in your 95-gallon waste container and in up to 25 **clear plastic** bags, not more than 25 pounds per bag.

MCDONALD'S HOLIDAY LIGHTS AT THE BEACH

November 16, 2012 - January 1, 2013
on the Boardwalk between 2nd and 34th Streets

Load up friends and family into your car, and come enjoy festive fish, jumping dolphins, and a sneaky shark, plus many new displays brand-new this year…all in bright, colored lights set against the clear night-time sky. This is McDonald's Holiday Lights at the Beach, a nautical and holiday-themed oceanfront light display and the only time of the year that cars get to drive on the boardwalk for 30 Blocks! 30,000 vehicles a year make the trek through this holiday wonderland and enjoy a fantasy of lights that dazzle and amaze everyone. One of the highlights is the giant "12 Days of Christmas" display, that is joined by Santa, elves, and a 40-foot tall Christmas tree, all erected along the beach and in the beautiful parks along the boardwalk. Tickets are only $10 per car on Sundays -Thursdays (open 5:30 p.m. until 10 p.m.) and $15 on weekends and holidays (open 5:30 p.m. until 11 p.m.), and include a free CD of holiday music. It's easy to understand why this event is named one of the Southeast Tourism Society's "Top 20 November Events" and the American Bus Association's "Top 100 Events in North America." Make an annual visit to the Holiday Lights at the Beach as part of your family's favorite holiday traditions.

TAKE A TAG FOR AN OLDER CHILD FROM THE ANGEL TREE OR VOLUNTEER AT THE CHRISTMAS DEPOT AND HELP DISTRIBUTE GIFTS FOR NEEDY CHILDREN!

The Christmas Depot is the centralized distribution center for the thousands of gift donations to the United States Marine Corps Toys for Tots Campaign, The Virginian-Pilot Joy Fund, and the Salvation Army. The Christmas Depot's location this year is the former HQ located at 4725 Virginia Beach Boulevard, near Pembroke Mall. Volunteers, ages8 and over, organize and stock shelves with gifts and assist with distribution to prequalified needy recipients. Two hundred volunteers are needed daily, and there is an especially high need for workers during the afternoon shifts! You can help in a variety of roles, including sorting stockings and Angel tree gifts, restocking shelves with gifts, assisting families with the "shopping" process, and assisting families to their cars. Work dates for the 2012 Christmas Depot are **Wednesday, December 12th - Monday, December 19th**. Christmas Depot is closed on Sunday, December 16th. With today's slowly recovering economy, close to 15,000 area families will be helped by the Holiday Depot this year. This is a rewarding way to volunteer so talk to your business colleagues, church group, or club and encourage them to volunteer this year. To sign up, please contact **Chere Flowers**, at **543-8100, Ext. 106** or **chere_flowers@uss.salvationarmy.org**

Be aware that the U.S. Marine Corps Toys for Tots program no longer provides holiday gifts to older children ages 12 and over. This new national policy leaves the Salvation Army with a huge service deficit, left to be filled through the **Salvation Army Angel Tree Program**, which tries to provide a clothing gift to these children in need. In the past, the Salvation Army Tidewater Command provided new clothing to over 12,000 less fortunate children up to age 14 and had thousands of applications for qualified "angels" in the young teen group alone. Without significant help from the community, these middle school aged children could be left with nothing this year, and last year, with donations of clothing gifts down, that happened to many children! Tags for children older than 9 years old are rarely chosen from the Angel trees, so the Salvation Army asks area organizations and individuals to please make a point of adopting older children to ensure that each child has at least one clothing gift this holiday season.

You will see Angel trees at K-Mart, Walmart, Lynnhaven and Pembroke Malls, the Virginia Beach Recreation Centers, and other locations. Trees are decorated with "Angel tags" with the first name, age, gender and clothing sizes of children receiving gifts. Please select an "Angel tag" and purchase a clothing gift for this child. If you would like more information about the "Angel" program, please contact **(757) 543-8100.**

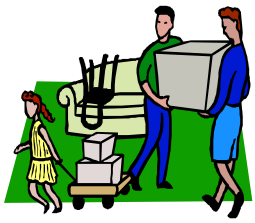
WELCOME TO OUR NEWEST NEIGHBORS!



- ☆ Melissa and Brian Bonfiglio and their three children, Chase (6), Kira (4) and Leah (2), who are new residents at 1512 Hidden Cove
- ☆ Christie and Jeremiah Butler and their two children, Evan (8) and Caelin (5), who recently moved into 1505 Baycliff Lane

FAREWELL... WE WISH YOU HAPPINESS IN YOUR NEW HOME!

We will miss Kim Cox, formerly of 1512 Hidden Cove, who has relocated.

Dear Friends and Neighbors,

After living in this fabulous neighborhood for 30 years, David and I have decided to sell our home and relocate closer to family.

We just wanted to say thank you for the privilege of being a part of all the growth and changes through the years; the kindness and friendship of our neighbors; our strong, supportive civic association, as well as seeing the influx of young families' new beginnings. I know they will enjoy living here as much as we have.

It can truly be said that Baycliff is a lovely community and special home for everyone who lives here. We will certainly miss being a part of it.

Best wishes to all of you for "a beautiful life in the neighborhood."

Sincerely,

David and Rhoda David

BAYCLIFF DREDGING COMMITTEE UPDATE

Richard Dunning, Chairman
http://www.facebook.com/Baycliff.Dredging

My name is Richard Dunning. My wife Nancy and I have been residents of Baycliff for two years. We love the neighborhood and have wonderful neighbors. We live on Wood Hollow Cove, and our property abuts Mill Dam Creek canal. I have been a regular attendee at the Baycliff Civic League meetings, and was recently asked, and have accepted the position of 1st Vice President. I have also agreed to take on a greater role in the Baycliff community dredging initiative.

I want to advise those who live along the Mill Dam Creek canal that I have recently taken some canal depth measurements and digital photos. You may see me from time to time in a mango colored kayak. I have established a Facebook page **http://www.facebook.com/Baycliff.Dredging** This site was created for the Baycliff Dredging Committee members and community residents to receive real-time visibility on the status of the Mill Dam Creek and spur channel dredging proposal.

The expectation of the proposed Mill Dam / spur channel dredging will be to have unrestricted use (not tide contingent) of this waterway, improve water quality, and revitalize the community boat ramp for all Baycliff homeowners. To protect waterfront home owners' privacy, I have tried not to capture waterfront homes in photos. Please visit our new Facebook site and comment. In the near future, dredging committee members will meet to generate a plan of action to share with all parties. You can contact me by e-mail at **Richard.dunning@gmail.com** Thanks for your support!

Crime Report Questions and Answers from Neighborhood Watch

Emergencies (Crimes Underway or Suspicious Activity) - Call 911
To Report a Recent Crime, call 385-5000, Option #1
Sharon Haring, Neighborhood Watch Coordinator

1. What is a police report? A police report is a document generated by the Virginia Beach Police for crimes such as vandalism, theft or car break-ins. These reports allow police officers to determine patterns of crime in our area, are the basis for additional patrol cars being sent out to prevent future incidents and generate information often helpful in solving crimes. When residents do not file a police report, our Second Precinct and Crime Prevention officers are unaware of crimes and vandalism in Baycliff.

2. What number do I call to make a report? If it's an emergency or crime-in-process, call 911. If it is not an emergency, call 385-5000, Option #1. You will reach a dispatcher, and then an officer will call you back and take a short report by phone and assign a crime report number. For some crimes, such as a home break in, they may send out an officer or perhaps the Forensics Team to take fingerprints.

3. Why do I need to file a report? You need to file a report for many reasons. If you experience theft and are filing a claim with your insurance company for reimbursement, they will ask for a report and number. If your home or other property is damaged, you will also need a report and number. Even if nothing appears to have been taken and there is no apparent damage, it's important to phone in a report at **385-5000**. You may be a victim of Identity theft. If you prefer to speak directly to a person, then wait until the end of the message and an officer will pick up. The dispatchers are the only ones who can send an officer for a non-emergency call or take your name and number so an officer can call you back to take a report.

4. What happens after the report is filed and how do I get my report? The report goes to our Second Precinct officers for review. To obtain a copy of your report, go online at **www.vbgov.com** or go to any police precinct to pick it up. They can fax it to you, upon request, but police reports are not mailed.

5. What happens if I don't make a report? Your Neighborhood Watch Program will not work effectively, and crime trends cannot be accurately established in our area. Lack of documentation means police patrols will not be increased, and additional incidents are likely to occur. So, be a proactive neighbor and file a report to help protect your neighborhood and help solve crimes. Let's keep Baycliff's crime rate low and protect our neighborhood property values by solving crimes.

6. Why can't I call the Crime Prevention Officer? This is not Officer Gillespie's role. This is not the only neighborhood she works with, and she has to then call the same numbers provided above and follow the same protocol. Neither Officer Gillespie nor the Second Precinct directly take reports or dispatch officers. Please be respectful of Officer Helen Gillespie's time and remember that while she's there to help, it's our job to help watch out for our neighborhood.

7. What if my car was broken into, but nothing appears to be taken? Still file a report. Most cell phones have cameras now, and criminals can take pictures of your insurance cards, registration, and any other documentation left in your vehicle. You may then discover you are a victim of identify theft at a later time. After a vehicle break in or loss of your wallet or purse, it is wise to monitor your credit report. Also contact the Virginia Beach Police Fraud Department for useful information.

8. Call Crime Solvers at 427- 0000 if you wish to report crime information anonymously.

9. Once you have spoken to the police, please notify Neighborhood Watch Coordinator Sharon Haring at 481-5508 or e-mail her at SMHaring@aol.com so she can promptly broadcast a Baycliffwatch message throughout the neighborhood. This enables neighbors to be proactive and to prevent further incidents.

The civic league publishes the Baycliff Resident Directory every two years and distributes it **FREE** to every Baycliff home. It's a valuable tool for all of us in several ways. It allows us to learn who our neighbors are, discover common bonds, and easily get in touch with one another. This encourages neighborhood friendships, which increases safety and security within our community.

However, publishing the directory is expensive. Costs are covered by business ads in the directory, sold by Baycliff volunteers. **WE NEED MORE ADVERTISING FOR THIS NEW EDITION OF OUR DIRECTORY! Please help us get enough ads to pay for the directory.** Support Baycliff by placing an ad for your own business or contact your employer about placing an ad. Run a "booster" ad on behalf of your family, or speak to the businesses your family uses regularly, such as personal services, favorite restaurants, repair men, home maintenance and home improvement companies. Tell them about advertising in our directory and hand out our fliers. By telling others about this advertising opportunity or placing your own ad, you enable the civic league to continue distributing the directory **FREE** to us all.

Advertising in the directory truly is a good value. Most of us will refer to our directory often over the next **two whole years**, and it provides local businesses with an inexpensive and effective way to tell us about their services. We also feel a sense of good will toward businesses that support our community.

A business card ad in the directory is $15, a quarter page ad is only $25, a half page ad is $50. and a giant full page ad is $100. We also have special "Directory Deal" ad packages with ads in both the directory and newsletter that **save advertisers 36%**. ***PLEASE SPREAD THE WORD TO LOCAL BUSINESSES or place an ad yourself!*** For a flyer with ad rates to share with others, please e-mail **Janie Cecelic at jcece@verizon.net** or call her at **496-5465.**

VDH VIRGINIA DEPARTMENT OF HEALTH
Protecting You and Your Environment

DON'T WAIT... GET YOUR FLU SHOTS ASAP!
BUILD "COMMUNITY IMMUNITY" FOR ALL!
http://flushot.healthmap.org/

The CDC and Virginia Department of Health recommend that all people 6 months of age and older get the flu vaccine. Vaccination is especially important for people at higher risk of severe influenza and their close contacts, including healthcare personnel and those close to infants younger than 6 months. Young children, people 65 and older, pregnant women, and people with heart, lung or kidney disease, or a weakened immune system, can get much sicker. Flu can cause high fever and pneumonia and make existing medical conditions worse. It can cause diarrhea and seizures in children. Each year thousands of people die from influenza and even more require hospitalization.

Influenza can occur at any time, but usually occurs from October through May. In recent years, most infections have occurred in January and February, but flu outbreaks are difficult to predict. It is best to get vaccinated now, but getting vaccinated in December, or even later, will still be beneficial.

Adults and older children need one dose of influenza vaccine each year, but some children younger than 9 years of age need two doses to be protected. Ask your doctor. Influenza vaccine may be given at the same time as other vaccines, including pneumococcal vaccine.

This year, health experts are emphasizing "Community Immunity." This exists when most members of a community are immunized against the flu, providing little opportunity for the virus to spread. Because not everyone can receive flu vaccine and some people are at greater risk of flu-related complications and death, "Community Immunity" protects these vulnerable people. For example, infants under age 6 months, people with severe egg allergies, individuals with a history of Guillain-Barre Syndrome, and some currently ill cannot be immunized. Make "Community Immunity" work by getting vaccinated every year. You not only protect yourself from influenza, but avoid spreading influenza to others.
