

Annual Baycliff Luminary Lighting

Michelle Baker & Jenny Huelsberg

Hello Baycliff Neighbors ~

The Annual Baycliff Luminary Lighting will be held December 17, 2022 ~ 6:00 pm -10:00 pm. We look forward to another memorable evening of our community coming together to create a beautiful night in an incredible neighborhood!

In early December, you will receive a gift of eighteen white luminary bags from the Baycliff Civic League. Corner lots will receive double sets of bags. These white paper sacks, weighted with sand/gravel/cat litter & glowing with votive candles, will beautifully illuminate the streets of Baycliff. Votive candles can be purchased at Michael's Arts & Crafts, Hobby Lobby, The Dollar Tree, or Ikea. Bags of sand or gravel can be purchased at Lowe's, Home Depot, McDonald's Garden Center, or London Bridge Garden Center.

We are excited for another stunning night of Baycliff streets glowing with warm candle light!
Thank You for All You Do to Make Baycliff a Wonderful Place to Live!
