

BAYCLIFF CIVIC LEAGUE DUES

For Jan. 1, 2023 – Dec. 31, 2023

2023 Annual dues are \$100.00 per year per household. A boat ramp key is an additional \$50.00.** Additional donations to support Civic League activities and publications are much appreciated!

Dues payments for 2023 are due by January 31, 2023.

** Note: Certain contributors to the dredging project are exempt from this charge. Access via the new digital lock will begin in January 2023.

Baycliff relies on the support of all residents, both homeowners and renters, to keep our neighborhood a well-maintained and desirable community to live in. Shared community expenses include: maintaining 2½ acres of common land at Baycliff’s entry (mowing, flower plantings, mulch, insect and weed control, fertilization, tree and shrub trimming, leaf removal, storm clean-ups), boat ramp maintenance, entry lighting and irrigation system electrical bills, liability insurance, and repairs to Civic League property. Your dues also contribute to defraying the costs of community social events, the Baycliff Bugle newsletter, and our Residents Directory. Less than 6% of our annual budget is spent on socials, such as the Fall Festival, Santa Visit, and Spring Egg Hunt.

Voluntary extra donations are always needed and much appreciated! Please send in your dues and contributions today, and help keep Baycliff the best neighborhood in Virginia Beach. Thank you very much!
